Sixth Annual September Sale of Furniture

At Manufacturers' Wholesale Prices.

TO-DAY we begin our Sixth Annual September Furniture Sale. Introduced as an innovation five years ago, these sales so amply rewarded our efforts that we have made them a permanent feature of our yearly events—an annual event, as sure in its coming as the return of the season.

We used as much care in selecting this furniture as we do in picking our regular stock. Our buyer went to the various factories of Grand Rapids and other furniture districts, saw the furniture, and personally selected it. And we confined ourselves to the best manufacturers—the people whom we keep constantly on their mettle, turning out furniture for us that classes with our standard of construction and finish—and drew these supplies from them.

It is a remarkable exhibition. Remarkable in its scope, its variety including every kind of furniture required in a home. Remarkable for its excellence of design—remarkable in the values offered. And you may rest assured that there is as much good service and durability in the furniture offered at this sale as though you bought it at full prices out of our regular stock.

Conditions favored us this year and we make the most of them. The best of this sale is not confined to a few small lines. Excellent values are offered in Parlor Furniture, Dining-room Furniture, Bedroom Furniture, Library Furniture, Hall Furniture, Den Furniture. The whole house is provided for in economies of the decisive sort.

So whether you wish to furnish a compact and cozy little flat, in an inexpensive manner, or wish to furnish a home in elegant style, the furniture is here—broad in variety and at special concessions in price, in either case.

Our Furniture Department is located on the sixth and seventh floors of the G street building, affording ample space and light to display to the best advantage this new stock.

CAMPERS IN WORSHIP

Southern Methodists Flock to Great Falls, Va.

SERVICES THROUGHOUT DAY

More Than One Thousand Persons from Maryland and Virginia Spend Sunday in Prayer and Listening to Services by Various Ministers of the Gospel—Extra Tents Erected.

Despite the rain which fell at intervals during the forenoon, the attendance yesterday at the Southern Methodist camp meeting at Great Falls, Va., shattered the record established on the opening day. It is estimated the total attendance for the day was more than 1,000 persons.

A noticeable feature was the large number of persons who came from towns and villages in Maryland and Virginia. They arrived in wagons, buggies, on horseback, and afoot. Parents and children streamed into the camp until by noon the tent was filled to overflowing and hundreds had to stand.

Owing to the demand for habitations on the ground, additional tents have been erected and preparations are being made to accommodate as many as possible.

The campers are enthusiastic. Each evening campfires are lighted throughout the camp and parties gather around the cheerful blaze and exchange stories.

Rev. Forrest J. Prettyman, presiding elder of the Washington district, and Rev. G. W. Gaither, under whose joint direction the meeting is being conducted, are delighted at the success of the meeting in the face of so many difficulties.

Although a special car service has been put in operation by the Great Falls and Old Dominion Railway Company, it was found insufficient yesterday to accommodate the Washingtonians who desired to visit the camp.

Visitors Went Early. The majority of the visitors went early and spent the day on the grounds. The programme was begun at 7 o'clock in the morning with prayer, conducted by Rev. B. Lee Parrott. At 9:30 o'clock, the "experience meeting" began. Church workers of Washington and visiting clergymen discussed plans for advancement.

The morning service was concluded by Rev. Charles D. Bulla, of Alexandria, with a brief address.

The feature of the afternoon service was an address by Rev. John W. Smith, pastor of Epworth M. E. Church, of this city.

He urged his hearers to take particular

heed of his words, as the people of the present day are in danger of losing sight of God in the increasing complexity of modern existence. Universal prosperity, he said, is another thing that should be carefully watched, lest it lead the unwary into a too easy manner of life. He warned his hearers that just as surely as every other civilization had perished when it abandoned God, so would the civilization of the present day perish, unless warning was taken in time.

The afternoon session was concluded with a musical service conducted by Rev. H. S. Willie, assisted by Prof. J. Owen Long and Miss Nelson Maxwell. An adjournment was taken until 7 o'clock in the evening, when a children's meeting was conducted by Rev. Forrest J. Prettyman.

Rev. W. H. D. Harper, of Buena Vista, Va., concluded the evening session, in the absence of Rev. E. A. Rhodes, of Remington, Va., with an address.

Programme for To-day.

The programme for to-day will be similar to that of yesterday, and will consist of the regular devotional exercises at 1 o'clock in the morning, followed by the customary "experience meeting," after which Rev. C. Sydenstricker will make an address.

The feature of the afternoon session will be an address by Rev. W. P. Johnson, of Hyattsville, Md., after which an evangelistic service will be held until 4:30 o'clock. Adjournment will be taken at 7 o'clock in the evening, when Rev. S. K. Cokerell, pastor of the Marvin Methodist Episcopal Church, of this city, will deliver an address.

Beginning with to-morrow, the Biblical institute of the Washington district will have charge of the programme, and will hold a three-day session, which, although conducted under the direction of Rev. Forrest J. Prettyman and Rev. G. W. Gaither, will be in the interests of the institute.

FIGHT ENDS NOVEL FUNERAL.

Mourners Resist Music Provided by Unemployed Musicians.

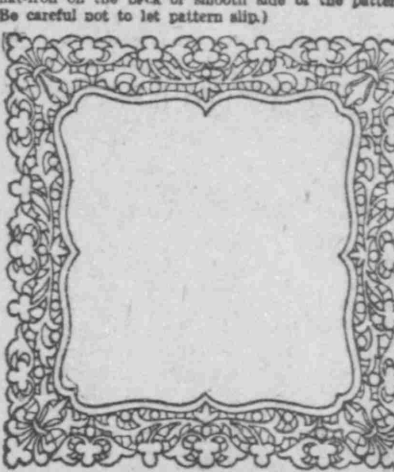

Milan, Aug. 29.—A Neapolitan family named Jorio, wishing to honor a dead relative by a grand funeral, hired a party of bandmen. When the procession had started for the cemetery many street musicians in want of work quickly joined the ranks from every byway, until one of the most powerful orchestras ever heard in Naples drew the attention of everybody.

The mourners, appalled at the prospect of the gratuities they would be expected to distribute to this unwelcome horde of volunteers, ordered the coaches to stop, but the minstrels insisted that it would be wanting in respect to the dead, and refused to be sent away. A tumult followed, mourners and minstrels fighting each other mercilessly with sticks, stones, trombones, fies, and drums.

The hearman took advantage of the riot to beat away with the coffin, and when the police put in an appearance they found it necessary to convey most of the funeral party, not to the police station, but to the nearest hospital.

PROVES HUSBAND A BIGAMIST

Wife of Rev. Mr. Matthews Finds First Wife in Wales.

Obtained Evidence After Traveling 7,000 Miles, and Has Minister Committed to Jail.

Pittsburg, Aug. 29.—When Rev. Robert Martin Matthews, of the First Welsh Church, of Connellsville, Pa., was last night committed to jail, charged with bigamy, a "most remarkable story of a wife's tracing the husband whom she suspected was revealed.

Mrs. Anna Jones Matthews, of Pittsburg, married here February 23, 1907, had reason within the last year to suspect that she was not the only wife of the Rev. Mr. Matthews, and she traveled 7,000 miles before she succeeded in getting the evidence which she submitted in swearing out a warrant for her husband.

Six weeks ago, after a consultation with her brother, in Pittsburg, Mrs. Matthews left quietly for Wales, to visit the home of her husband, having heard that he had a wife there. The husband thought she had gone to California, and was content with the reports furnished by the brother of his wife, that he—the brother—was hearing from her.

In Wales, the Pittsburg wife, traveling under her maiden name, found that her husband had a wife and children there, and that he had been sending them money with great regularity. Getting proof of his former marriage, it was necessary for the Pittsburg wife to go to Chicago to get some further data, and having obtained it she came to Pittsburg and swore out the warrant for her husband's arrest.

SECT HERALDS MILLENNIUM

Newark Bible Students Believe the World Will End in 1914.

Strange Society Is in a Hurry to Make Good for the Draw-backs in Life.

Newark, N. J., Aug. 29.—Under the auspices of the Watch Tower Bible and Tract Society and the Brooklyn Tabernacle, about forty men and women, who call themselves students of the Bible and believe that only five years remain for them to make good for whatever drawbacks they have in this life, assembled in Masonic Hall here this afternoon for a seance.

Elder George Scott, of Elizabeth, who led the meeting, explained that as the class was behind in its Scripture lessons, there would be no sermon, and that all the time would be taken up in gaining the lost ground.

Consequently the afternoon was devoted to the reading of the lessons that had been skipped and the answering of questions of brothers and sisters who are a bit skeptical as to the make-up of spirits mentioned in the Scriptures.

The study to-day was along the line of atonement between God and man. The meeting started at about 3 o'clock and for an hour and a half Elder Scott was kept busy doling out what his inquirers considered inside information of what's going to happen when the millennium comes around. There was a rapid fire of questions, which, when answered, combined to make a striking picture of the great change in the order of things scheduled to occur, according to these Biblical students, in 1914.

Elder Scott explained that daily life brought evidence of the millennium approach, and that at the appointed time with labor and capital in bitter strife as a signal, a great fire will sweep the earth and the heavens will be opened and the new order of things be brought about.
